### **ANTI-RAGGING COMMITTEE**

At Pratiksha Institute of Pharmaceutical Sciences, we are dedicated to fostering a safe and respectful environment for all members of our academic community. To uphold this commitment, we have established an Anti-Ragging Committee, consisting of experienced faculty members, administrative staff, and student representatives. This committee is tasked with ensuring that our institution remains free from any form of ragging, bullying, or harassment. By prioritizing the well-being and safety of our students, the Anti-Ragging Committee plays a crucial role in nurturing a conducive learning environment where everyone can thrive academically, professionally, and personally. We believe that by standing united against ragging, we uphold the values of integrity, compassion, and inclusivity that define our academic community.
